Inching closer to 30% women on board

Kuala Lumpur, 18 Nov 2020 – The 30% Club Malaysia observes that more organisations in Malaysia have embraced gender diversity on boards, an integral component of good corporate governance.

According to Co-Founding Chair Tan Sri Zarinah Anwar, statistics at the end of 2019 showed women representation on the top 100 public listed companies (PLC) boards rose to 26.9%, almost double what it was in
