

Role: Campaign Manager, 30% Club, Global

What we are looking for:

A proactive, hands-on leader, the role requires strong organisational and planning skills; stakeholder management experience, especially within a cross-cultural environment likely acquired by working in a complex, global, matrix organisation at a senior level; excellent written and oral communication skills, and experience of delegating and motivating others. The ability to multi-task, keep calm under pressure, to problem solve, have a critical mind, and be detail oriented are all useful attributes. You will be well versed in Microsoft Office, competent in Excel and have strong analytical skills.

This role would suit an experienced professional looking for greater flexibility in their working hours and the opportunity to drive a values based/purpose driven business campaign.
